

Wealth Goes Far Beyond Money

Mark spent 23 years in high tech, working for companies from Fortune 100s to start-ups. From there he spent years as a full time investor and created multiple companies of his own, including his professional services company Mark Rafter International, established in 2007.

His mission is to help people and organizations create an environment based on the idea of a "commonwealth", optimizing the personal growth and contentment of the individual along with the productivity and prosperity of the organization.

For his speaking events, Mark synthesizes content from a wide range of disciplines including philosophy and metaphysics, business and entrepreneurship, science, humanistic psychology and more to create an informative and inspirational experience for the listener.

Immediate benefits to be realized from Mark's speaking programs include:

- How to use the fundamental laws of wealth creation to achieve unlimited abundance
- Gratitude for the wealth potential and value each of us already possess
- A better understand of life-work balance
- An increased sense of meaning in your life

Mark's topics are popular with and can be specifically tailored to Associations or Organizations, Business or Company Meetings, Churches and Faith Communities.

Call today to discuss booking Mark as a speaker.

Speaking Programs

Transforming Your *Life* from Survive to Thrive

- Uncover the true nature of wealth in all aspects of your life
- Learn the fundamental laws that reinforce your drive to thrive
- Explore the 8 different components of your own unique "Wealth Potential"
- How everyone can benefit from entrepreneurial behavior and thinking

Holistic Wealth: Everything is Connected

- God **does** want us to be wealthy ... John 10:10: "I have come that they may have life, and that they may *have it more abundantly*"
- Realize your sacred purpose through knowing the Divine Grace inside us all
- Learn how using our God-given talents, passion and intention is the most direct path to financial prosperity
- Explore the true nature of abundance and why *net worth* alone is not what you seek and how **Net Wealth** is what really matters

Achieving the Commonwealth

- Create a mutually compatible vision that goes beyond paycheck and performance
- Find out how to create powerful synergies between the dreams of the individual and the company's strategic objectives
- Develop the unique competencies of your employees to maximize their contributions
- Learn how entropy is minimized when everyone understands and supports a common denominator of Value
